New Zealand • Christchurch

After returning Villa Ducato (camper), I stayed on one of the better hotels in Christchurch.

I had chosen to end my New Zealand trip with 3 days in Christchurch.

A walk in the Botanical Garden, around by The Tram, by bus to the Gondola, a jam session at The Book with Irish folk music.

In the square by the cathedral, it became a game of chess against a local player.

Fourth day at 20.30 departure to Auckland and Los Angeles, London, Copenhagen and Tirstrup, after which almost 5 fantastic weeks were over.
